

Coming to Colorado in July!

Father Tony D'Souza **Finding Peace In Challenging Times**

July 10-12, 2009

Helping individuals find peace, harmony and even joy in today's economically troubled world is the intent of the transformative talks, workshops and retreats Father Tony is offering when he travels to Colorado this summer from his home in Mumbai, India. A longtime friend and student of famed spiritual teacher Anthony DeMello, Father Tony is co-author of the book "Discovering Awareness: A Guide to Inner Peace, Strength and Freedom." This is Father Tony's first US visit in 2 years. Emotional well being and spiritual awakening result as he integrates the teachings of Christianity, Buddhism and Hinduism with his experiences as a retreat director and professional psychologist. He currently leads the Jesuit order's Mumbai province and is establishing a counseling center to address family dysfunction and violence as India faces the pressures of globalization and social change. **Visit Father Tony online - www.DiscoveringAwareness.Org**
